Paul Conroy biography

Paul Conroy conducts investigations for the Bigfoot Field Researchers Organization (BFRO). He has studied the Sasquatch phenomenon from the Everglades to the Canadian border for thirteen years. When not pursuing the unknown, he roams the wilds, practices martial arts, reads, and writes. Conroy and his furry four-legged daughter Koda live in the Jersey swamp. *The Rabbit Hole Experience: On On Sasquatches, Spirits, and the People Who See Them* (available in print and ebook formats) is his first book.
